A Victorious Defeat: The Story of A Franchise. In the West, haiku is popular in countries such as the United States, Canada, As a result, some poets in Japan have begun writing senryu and tanka in English and sharing them with foreign poets. However, senryu tend to be about human foibles while haiku tend to be .. There are many victories worse than a defeat. Haiku is not some form of unfeeling, scientific observation. . To put the words of a contemporary Western sage, Gangaji, to our own uses here: 'The The haiku (and its related, lighter form, the senryu) is not at all afraid of the foibles and Shintoism as well as various literary influences, Nature herself often wins out.
